### Booklists 2020/2021

Dear Parents and Guardians,

As you know, we decided to order the school books on your behalf this year. Please find the cost of your child's booklist, listed below. Also, please note that we have included the 24 hour *School Insurance* cover for medical and dental expenses in the below price.

Loretto will be in touch to forward a link via Aladdin for e-payments in the coming days. There is a possibility that the link will not be live until Wednesday, 1<sup>st</sup> July with further information to follow on this. If you wish to pay for the books in instalments, the same link can be re-used multiple times. We ask that all payments are made using the link as we cannot facilitate cash payments in the office this year, given the current circumstances.
